CASE FIR NO.9/2022 POLICE STATION AROTI, PIRMAHAL.

Dear Sir,

The hearing of Case FIR No.9/2022 of Aroti PS took place on 15.02.2022 in the Court of Additional Session Judge Pirmahal and the interim bail of Muhammad Asim S/o Muhammad Nazir has been withdrawn but surprisingly the accused was not arrested and provided a chance to ran away from the seen by the police authority reason best known to the authority concerned. Reportedly now the accused Asim is at Lahore to get relief from higher Court.

On the other hand the two other accomplices namely Ramzan and Rashid were also present on the seen with Main accused and they admitted their guilt before I.O and today before Judge but I.O is not ready to place them as accused.

The brief of story is as under:-

Case was registered under FIR No.9/2022 dated 10.01.2022 with Aroti Police Station but as usual an opportunity was provided to accused persons to get interim bail. Case is under trial in the Court of Additional Session Judge Pirmahal for hearing took place and challan was not presented before the Court just to give further benefit to accused persons to get confirmed their bail.

On 27.01.2022 the DSP Kamalia was on routine visit to Aroti PS and during meeting with people of area brought the subject case in his notice and after seeing مثل the DSP shown his concern for delay and ordered for levy of Section

452 but Investigation Office ASI Ramzan was reluctant to comply with the orders of DSP as he was instructed by SHO not to present this (مثل) before Court even on last date hearing i.e. 08.02.2022.

The matter was brought into the notice of DPO T.T.Sing on 10.02.2022 vide Complaint No.130 CCP and also in the notice of RPO Faisalabad vide Complaint No.1132 ICC dated 11.02.2022. DPO and RPO directed the DSP Kamalia to look into the matter and DSP instructed the SHO to fix Section 452 and present the (مثل) before Court.

On 01.02.2022 the SHO Aroti Police Station called both the parties and exerted undue pressure on Complainant party to reconcile the matter with accused party. The Complainant shown his inability to do any reconciliation on the directions of SHO instead to provide then Justice he became rebellious and arrested at least 10 persons of each party to knee-down the Complainant party for reconciliation.

In the view of above it is requested to please reinvestigate the case and deputed some senior, suitable officer outside the vicinity to sift the factual position of the case and it can be only possible to remove the Station House Officer since we are not satisfied with the process of Case as the authority concerned couldn't prove their professional abilities rather leave black dotted on the forehead of the department.

Yours faithfully,

FAQIR MUHAMMAD
