

Dear R.P.O. Sb.
Police Officer Faisalabad.

my name is Mr Zaheer Ali and I am a dual national currently living in the U.K. My father Mr Haji Mubarak Ali was a Pakistani national and after his death, me and my immediate siblings inherited a property in Samundari which was left to us by our father. My stepbrother and Stepsister Mr Mohammed Sarwar Mrs Shaguftah Begum who are from my fathers previous marriage have deceived us and the courts by winning an ex-parte decision on the aforementioned inheritance property from the courts. We were not aware of any legal action as we all reside in the U.K. and at no point were we made privy to any legal action against us regarding the inherited property in Samundari Pakistan.

We have since assigned an attorney to help us in our absence. Our attorney is Mr SYED ZULFIQAR HAIDER BUKHARI (Pakistan) who is also our tenant and is residing in the inherited property in Samundari.

We have had this case reopened and also have put an application for a stay order on the property until the matter is resolved.

The case has been reopened and restarted in the Civil Courts in Samundari. The honourable judge in the case then granted a stay order on the whole property that is in dispute. Since this order was granted the opposing party are now in contempt of court order by forcefully breaking the locks and making forceful illegal entry. Once they had gained illegal entry they then began to decorate the house in preparation for a wedding. They have made this illegal and forceful entry even though our attorney SYED ZULFIQAR HAIDER BUKHARI was living in the property as our legal tenant and for which a tenancy agreement was in place. I humbly request that the police carry out any and all legal action against these people and to remove them from the property immediately and also to have them refrain from any further acts of aggression or behaviour of this kind until the Samundari Civil Courts have made their decision.

I would also humbly request that all parties involved in the breaking and entering of the property be immediately arrested and held accountable for their actions, especially for the utter disregard of the court's decision of the stay order. I have attached supporting documents with this email to help you with your decision making in this matter. I will be arriving in Pakistan myself on 11th April 2022.

Please find attached, a copy of the stay order and the tenancy agreement as well.

Yours sincerely

Zaheer Ali s/o Mubarak Ali
