Subject: Request for Cognizance on behalf of Lubardaar Association
District Chiniot.

Respected Sir,

No. 8208-10
16-9-21

It is to inform you that on 12-Sep-2021 all lumbardaars in association with the department of police on behalf of the SHO, Police station Rajoya were called in for discussion regarding multiple affairs but SHO was absent from his duty and such act is so disgraceful and insulting towards the reputed, patriotic and honorable Lumbardaars and there is no way that these honorable gentlemen can let it slide without an explanation. But the association is sincere towards their duties to the state, Lumbardaars are willing to work out something better from this entire unforgivable incident so here are some suggestions,

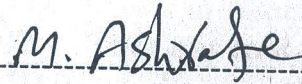

1. The association demands meeting with SHO after every fifteen days interval since such title is subjected to sovereignty of the Allah exercised by the public.
2. The association demands meeting with DSP after every Thirty days interval since such title is subjected to sovereignty of the Allah exercised by the public.
3. The association demands meeting with DPO after every Sixty days interval since such title is subjected to sovereignty of the Allah exercised by the public.
4. Such meeting will be in regards to matters of peace and other matters in concerned to the villages of District Chiniot.
5. The department of police must provide the kindness and respect to the hardworking, reputed, patriotic and honorable Lumbardaars which they are entitled to.
6. The officers and other staff must be informed of all the legal consequences regarding any sort of disgraceful, insulting and
